17th January 2025

Dear Parents/Friends

Club 100 Fundraiser

Further to the letter we sent out back in December regarding our fundraising initiative called Club 100, we are just sending a reminder out.

We understand that January is a tough month for us all financially, so have decided to delay January's draw to the first week in February, therefore **giving everyone time to get their numbers after January Pay Day!**

Club 100 is a fantastic opportunity for parents to win some cash while supporting our school.

Here's how it works: for a deposit of £24 per number—made via Parent Pay—you will receive a randomly generated number, which will enter you into our **monthly draw for the entire year**. Each month, one lucky parent will win half of the pot, while the other half will go directly to Friends of Water fundraising initiatives.

There's no limit to the number of numbers you can have, so feel free to enter as many times as you like! The more numbers you purchase, the higher the potential prize and the greater contribution to our school community.

We strongly encourage all parents to participate in this fun and rewarding fundraiser. Not only will you have the chance to win some cash each month, but your contributions will go a long way towards enhancing the educational experience of our children.

For those interested in joining Club 100, please ensure you make your deposit of £24 for each number by 1st February to be included in the very first draw.

Remember, every little helps, and your involvement can make a significant difference.

Thank you for your continued support and commitment to our school.

Warm regards
Yours faithfully
Friends of Water School
