Dear Parents/Guardians

KS2 Trips to Museum of Lancashire

If you have not yet logged into your Parent Pay account to complete the required consent form, I kindly ask that you do so at your earliest convenience. It is essential that all fields are filled in correctly, as **we will be unable to take your child on the trip without your consent.**

I am also writing to extend a heartfelt thank you to those of you who have contributed towards our latest school trip. Your support is invaluable, and it significantly enhances our children's learning experiences outside the classroom.

As you know, the cost of this trip is £20. For context, admission to the museum is £6 per student. However, I would like to highlight that the transport costs are always quite substantial, with the coach for this trip costing in excess of £500 for each day.

While we understand that not all families may be in a position to contribute, we greatly appreciate any assistance you can provide. The voluntary contributions we receive enable us to organise valuable educational trips for our children. Without this support, we would struggle to facilitate such enriching experiences.

Thank you once again for your generosity and understanding. Together, we can ensure that our children benefit from a varied and stimulating educational journey.

If you have any questions or would like to discuss this further, please do not hesitate to reach out.

Yours faithfully
Miss E McKay
Headteacher
