4th February 2025

Dear Parents and Carers

New P.E. Kit Provider

I am writing to inform you of an important update regarding our PE kit provider.

After careful consideration and feedback from many of you, we have decided to switch from Surridge to LPES as our new supplier for PE kits.

We are pleased to share that this change will provide significant savings on the cost of the kits, which we believe will be beneficial for all families.

The new PE kit will officially be introduced for the September 2025 intake; however, if you require a kit before that date, you are welcome to place an order through LPES's website at www.lpes.uk, and then under the 'Schools and Colleges' drop down menu, you will need to find and click on our school name, which will take you to our page.

We understand that there will be a transition period during which both old and new kits will be in use around the school. Our aim is to ensure that by the 2026/27 academic year, all children will be wearing the new PE kit, creating a cohesive appearance for our students.

Should you have any questions or concerns regarding this change, please do not hesitate to reach out.

Thank you for your understanding and support as we implement this positive change for our school community.

Yours faithfully
Miss E McKay
Headteacher
