12th February 2025

Dear Parents/Guardians

Clothes Recycling Initiative

As we approach the half-term break, we are excited to share that our school is partnering with a company that collects bags of donated items for recycling, in support of Leukemia & Myeloma Research UK. This initiative not only encourages us to declutter our homes but also contributes to a very worthwhile cause.

Attached to this letter, you will find a bag for your donations. However, feel free to fill more bags from home if you wish!

As we finish for half-term on Friday, this offers the perfect opportunity for a clear-out. It's a great time to sort through your belongings and support this important charity at the same time.

Items which can be donated include:-

- Good quality, dry, clean clothing
- Handbags and accessories
- Paired, clean, undamaged shoes
- Costume jewellery
- Cosmetics and perfume
- Toys in new and working condition

The bags will be collected from the school on Wednesday, 26th February so please bring your bags into school by this date.

As always, your support is greatly appreciated.

Thank you for your generosity and support!

Yours faithfully
Mrs A Graham
Office Manager
