Dear Parents/Guardians

The organisers of Young Voices have requested that we send the following information out to all parents attended the event tomorrow evening at Co-op Live:-

*In response to recent feedback, we have reviewed the Traffic Management Plan with the arena.*

*The venue expects the roads and car parks to be very busy, and we don't want you to miss any of the concert, so please plan ahead!*

- **Arrive early!** Expect some traffic on the roads and around the venue, particularly between 18:00 and 19:00. Allow plenty of time for a stress-free start to your evening.
- Car parking is extremely limited on-site, so **plan ahead and pre-book your parking in advance if possible**. Accessible parking is allocated in the Orange Car Park. Additional parking has been made available at the National Cycling Centre to help alleviate congestion.
- Metrolink operates high-frequency services to and from Co-op Live. Please consider using tram and park and ride options – particularly those at Ashton Moss and Ashton West, which link directly to the venue.
- If the weather is nice, consider trying out the Citylink Walking Route!

*Traffic management staff will be on hand to help efficiently direct you to the best car park for you.*

Thank you.  
Miss Knights
