25th February 2025

Dear Families

I hope you are all doing well and had a fantastic half-term break!

We are gearing up for another exciting term at Water Primary School and I wanted to share some important news about our Good News Assembly.

I would like to let you know about a change we're making to our Good News Assembly, which many of you regularly attend to celebrate our children's amazing achievements. At the moment, we hold the assembly at 3:00 p.m. on alternate Fridays. However, we've noticed that this timing significantly cuts into the Forest School sessions, which is a key part of our curriculum and something that our children truly enjoy and benefit from.

To make sure our children can enjoy both the assembly and their time in Forest School, we've decided to move the **Good News Assembly to 9:05 a.m. starting from Friday 7th March**. By doing this, we believe this will be a great improvement for everyone involved.

If you can make it, we'll be serving tea and coffee from 8:50 a.m. We'd love for you to join us every other Friday to cheer on our children's achievements.

Thanks for your continued support!

Best wishes.

Yours sincerely

Miss E. McKay
