Dear Families

I would like to take this opportunity to share some exciting news from a recent Friends of Water meeting.

It was discussed that many parents might appreciate a commemorative item for their child from this academic year. In response to this, we have collaborated with My Child's Art to produce a special class tea towel, featuring unique self-portraits.

Each child's artwork has been beautifully presented on a tea towel alongside their classmates' portraits, creating a delightful keepsake that celebrates their creativity. We are amazed with the images the children have created, and I encourage you to take a moment to admire our little artists' work!

You can easily access the tea towel and explore the many other products featuring your child's artwork, by visiting the My Child's Art website: [www.mychildsart.co.uk/order](http://www.mychildsart.co.uk/order)

Username: Water  
Access Code: sqjqxcm

Alternatively, you can use the QR code provided on the attached leaflet to reach their site.

There is a wide selection of items available, all featuring your child's image, including various bundles at a reduced price.

For those interested in making a purchase, please take note that there is an early bird discount of 10% available on all orders placed before 15th April. I highly recommend you take advantage of this offer to secure your child's commemorative items at a reduced price.

Should you have any questions, please do not hesitate to get in touch.

Yours faithfully  
Mrs Graham
