LETTER SENT ON BEHALF OF PALS

11th September 2025

Dear Families

After School Sporting Activity Clubs

As previously informed, as well as the wraparound care, PALS are now providing After School Sporting Activities, which started this week.

A representative from PALS has been into school today during assembly to provide demonstrations and the chance for children to try out the activities, which all the children really enjoyed - please ask your children about this.

Attached to this letter is a flyer from PALS detailing the various clubs currently on offer and, from next week until the week commencing 13th October, they are going to be offering these clubs at the reduced price of £5.00 per session, and therefore the 5-week block is now £25.00.

Please note there will be NO sporting activity clubs on offer for the last week of this half term (w/c 20th October).

All the details of how to book your child onto any of these activities is detailed on the attached flyer. When booking, please ensure you are using the 'Water Sports & Themed Activity' register.

Please note if your child is going to be attending any of these after school activities, unless it is their PE day during the school day and therefore they will already be in their PE kit, children must attend school during the day in their uniform and bring some sportswear (doesn't have to be our school PE kit) to change into at the club.

If you need any further information regarding the above please contact PALS direct on either support@playandlearnscheme.com or 0845 094 2290.
