Headteacher: Miss E. McKay

17th September 2025

Dear Families,

Unfortunately, Mr Cousins, our Site Supervisor, will be leaving us in a few weeks. While we will certainly miss him, this presents an exciting opportunity for us to welcome a new member to the Water team.

The role: **Site Supervisor**
12.5 hours per week (term time plus 10 days in non-term time)
Foundation Living Wage (Pro Rata)

This role could be an ideal opportunity for someone living nearby, as it perfectly fits a local schedule. We are looking for an individual who is not only enthusiastic about joining our community but is also skilled at hands-on tasks. The successful candidate will be able to lend a hand with repair jobs around school, demonstrate effective teamwork while working alongside staff, and show the initiative to tackle a variety of challenges that may arise.

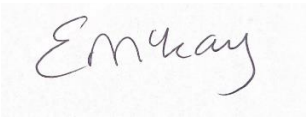
Becoming part of our school means joining an amazing community with supportive colleagues and wonderful families. We believe that a positive environment is crucial for helping our children thrive, and we're keen to find someone who shares that passion.

If you know anyone who might be interested in this role, please do encourage them to apply. We're eager to welcome someone who is not just capable but also excited about contributing to our school's success!

If you know of anyone within our community who might be interested in applying for this position, please encourage them to contact school on 01706 216414 or through our email enquiries@water.lancs.sch.uk . We are excited to find someone who is not only capable but also excited to contribute to the ongoing success of our school.

Thank you for your continued support, and please do not hesitate to reach out for a copy of the job description or if you have any questions or suggestions regarding this appointment.

Yours sincerely



Miss E. McKay
