Dear Families

As Halloween falls in the middle of half term, and we don't want to miss out on having some spooky fun, Friends of Water have decided to hold something a little different for our families this year.

On Monday 20th October from 3.30pm to 5.30pm they are going to be holding a Scarecrow & Pumpkin Trail in our Forest School.

All families are invited to get creative with their ideas for the costumes for their scarecrows, and designs for their pumpkins. There will be **prizes on offer for the best designs.**

The cost to enter will be £3.00 per scarecrow and £1.00 per pumpkin (payable via Parent Pay), with all funds raised going to Friends of Water.

Scarecrows and pumpkins are to be brought to school on the morning of the 20th and left on the yard at the front of school and our lovely Friends of Water volunteers will take them up to the Forest to decorate ready for the trail after school. Please make sure your scarecrows and pumpkins are clearly marked with your child's name so we can identify any winners.

Families and friends are then invited to go up to the trail after school, and have a look at all amazing scarecrows and pumpkins. Entry into the trail will be £1.00.

There will also be a refreshment stand at the cabin, where Friends of Water will be serving hot dogs and hot drinks (juice for the children), together with their tuck shop.

So, start getting creative and thinking about your designs. We hope you have lots of fun making your scarecrows and pumpkins.

We are very excited about this and hope, if it is successful, it can become an annual event for our school community. We can't wait to see the results!
