6th November 2025

Dear Families

'15,000ft Parachute Jump in aid of Water Primary School'

I am writing to share some exciting news!

On Sunday 15th November, our lovely dinner lady, Linda Bateson, whom I am sure your child has spoken about, will be taking on an incredible challenge by participating in a charity parachute jump from 15,000 feet!

In an amazing show of generosity, she has decided to donate all proceeds raised directly to our school.

The funds collected will be used to purchase new equipment, enhancing our Food Technology lessons. This means that your children may even have the chance to bring home delicious treats they have made for you to taste!

If you would like to support Linda and contribute to this great cause, we have set up a payment item on Parent Pay 'Linda's Charity 15,000ft Parachute Jump'. The minimum amount has been set at £1.00, but if you would like to donate more that would be amazing! - any amount you can donate will be greatly appreciated and will make a significant difference.

I believe the jump will be videoed, and we will be sure to share this exciting footage with you once we have it.

I am sure you will all join us in wishing Linda the best of luck – she is one brave lady!

Thank you for your continued support.

Yours faithfully
Mrs A Graham
Office Manager
