Dear Parents/Friends

Club 100 Fundraiser – New Members Welcome

We are again running our 'Friends of Water Club 100' for this new year.

This is a fundraising initiative set up by our PTA (Friends of Water), which was started last year. This is a fantastic opportunity for parents to get involved while supporting our school. Some of you have already signed up! – thank you and good luck!

For those of you who may be interested, here's how it works: for a deposit of £24 per number, you will receive your own unique number, which will be entered into our monthly draw for 12 months. Each month, one lucky parent will win half of the pot, while the other half will go directly to Friends of Water fundraising initiatives.

There's no limit to the number of numbers you can have, so feel free to enter as many times as you like! The more numbers you purchase, the higher the potential prize and the greater contribution to our school community. Other family members, such as grandparents etc can get involved! – your family will just be allocated as many numbers as you pay for.

We strongly encourage all parents to participate in this fun and rewarding fundraiser. Not only will you have the chance to win some cash each month, but your contributions will go a long way towards enhancing the educational experience of our children.

For those interested in joining Club 100, simply credit the **'FRIENDS OF WATER CLUB 100 (2025/25) - £24 FOR THE YEAR'** payment item and we will do the rest!

Remember, every little helps, and your involvement can make a significant difference.

Thank you for your continued support and commitment to our school.

Warm regards
Yours faithfully
Friends of Water School
