TT Rockstars Day– Friday 6th February 2026

Dear Families

We are writing to inform you about an exciting day coming up at our school.

On Friday, 6th February 2026, we will be having a TT Rockstars Day for the whole school. TT Rockstars is a fantastic online platform that helps children improve their times tables skills in a fun and engaging way.

During TT Rockstars Day, children will have the opportunity to participate in various activities that will enhance their maths and times tables knowledge. This day aims to promote a positive attitude towards learning multiplication facts and develop fluency in this important area of mathematics.

To make the day even more enjoyable, children are invited to dress up as rockstars! Whether they channel their inner rockstar with bold outfits or go for a subtler rockstar look, the choice is theirs. Let's make TT Rockstars Day a memorable and exciting experience for everyone involved.

If you have any questions or require further information about our TT Rockstars Day, please do not hesitate to get in touch.

Yours faithfully
Miss Lomas
Maths Subject Leader
