LETTER FROM PALS

2nd February 2026

Dear Parents and Carers,

We would like to share some information regarding our wraparound clubs and the support they provide to the school community.

Our provision offers children a safe and enjoyable environment before and after school. The clubs allow children to start the day calmly and unwind in the afternoon through engaging activities such as games, creative projects, and socialising with friends. We provide a healthy breakfast during our Breakfast Club, and a snack for those attending the After-School Club.

Led by experienced staff, our clubs focus on children's wellbeing and happiness while providing families with reliable and flexible childcare.

We thank you for your continued support. If you do not currently use this provision and would like more information regarding availability, timings, or bookings, please feel free to get in touch.
