## **Appointment of Parent Governors**

### **Governing Body**

The Education Act 2002 provides that:

- The conduct of a maintained school shall be under the direction of the school's governing body.
- The governing body shall conduct the school with a view to promoting high standards of educational achievement.

Within this broad framework, the governing body:

- sets the broad strategy for the school's development;
- is accountable to those who established and fund the school, to parents and the wider community;
- must act in accordance with requirements laid down in Acts of Parliament, statutory regulations and the school's Instrument of Government;
- must at all times act fairly and without prejudice.

### **Parent Governors**

All governing bodies are made up from people appointed or elected to different categories of governor. At all schools one of the categories of governor is a parent governor.

Parent governors are normally elected by parents of children at the school. However if there are insufficient eligible candidates for the vacancies at an election the governing body can appoint a parent governor but there are restrictions on who can be appointed.

If you wish to be considered for a position of appointed parent governor, please complete the pro-forma application form attached at Annex B and return it as indicated.

Please note that parent governors cannot be elected members of the local authority, or people employed to work at the school for more than 500 hours in any 12 consecutive months.

### Parent Governors

All maintained school governing bodies must have at least two parent governors.

#### Who are Parent Governors?

Parent governors are elected by parents of children at the school. For a person to stand for election and to vote in a parent governor election he/she must either be the natural parent of a child registered at the school, or be a person with parental responsibility for, or having care of, such a child.

In maintained nursery schools parents of children for whom educational or other provision is made on the premises of the school at the time of the election are also eligible to stand for election and vote in a parent governor election.

If there are insufficient eligible candidates for the vacancies at an election the governing body can appoint a parent governor, but there are restrictions on who can be appointed.

Governors normally serve for four years unless a shorter term is specified in the Instrument of Government for the school. If a parent governor ceases to be the parent of a child registered at the school within the period for which they have been elected, he/she may continue to be a governor for the rest of his/her term of office.

#### What are Parent Governors?

**Parent governors** have the same rights, responsibilities and duties as other governors.

**Parent governors** should play a full and active part in the governing body but,

**Parent governors**, like other governors, do not have the power to act as individuals or as a group, unless specifically authorised to do so by the governing body.

**Parent governors** are not on the governing body simply to represent the interest of parents, or to be the only link with parents because all governors must have regard to these issues.

#### What do governors do?

All maintained schools have a governing body which together with the headteacher sets the aims and policies of the school. The headteacher is responsible for the day to day management of the school. Together the governing body and headteacher must ensure the school provides good quality education and helps to raise standards.

The governing body:

- is accountable for the performance of the school to the parents and the wider community
- plans the school's future direction
- selects the headteacher
- makes decisions on the school's budget and staffing
- makes sure the National Curriculum is taught
- decides how the school can encourage pupils' spiritual, moral and cultural development
- makes sure the school provides for all its pupils, including those with special educational needs.

### **How much time will it take?**

To be an effective member of the governing body team, it takes time. You will need to prepare for and attend at least three full governing body meetings per year. You will also be involved in one or two committees dealing with finance, staffing, curriculum or premises. These usually meet at least once a term. In addition some governors take on other roles such as Special Educational Needs governor.

The amount of time you will need to give depends on how involved you become but governing bodies cannot operate effectively with passengers. You must be prepared to take more than an interest.

### **What support is available?**

Lancashire County Council and the associated dioceses/church authorities provide a wide range of support services and training for governors.

All new governors receive an introductory pack of materials from the county council which outlines the range of training opportunities available to governors and governing bodies and provides the basic reference documents. There is also a termly newsletter which helps to keep governors up to date with recent developments.

Sometimes governing bodies have difficult decisions to take. In such cases the governing body has access to support and advice from the county council and the church authorities/dioceses as appropriate.

If you require more information about being a governor speak to the headteacher at your child's school or contact Governor Services on 01257 516147, [governors.central@lancashire.gov.uk](mailto:governors.central@lancashire.gov.uk).
