LETTER FROM PALS

Dear Parent/Guardian

We are proud to offer our Before and After School Wraparound Club, providing a safe, supportive, and engaging environment for children outside of the school day.

Our club has become a trusted part of the school community, where children can relax, socialise, and take part in a variety of enriching activities. We offer:

- Cooking sessions, helping children build confidence and learn practical skills
- LEGO workshops that encourage creativity, problem-solving, and teamwork
- Arts and crafts for imaginative expression and hands-on fun
- Sports activities to keep children active and promote teamwork
- Homework support available on request, ensuring children can complete tasks with guidance when needed

Our experienced and caring staff are dedicated to creating a positive atmosphere where every child feels welcomed and supported.

Whether you need reliable childcare before school, after school, or both, our wraparound club is here to help while giving your child a fun and rewarding experience.

If you would like more information or to secure a place, please feel free to get in touch at support@playandlearnscheme.com or call 07930924993. We look forward to welcoming your child.

Yours faithfully
Donna Walker
