6th May 2026

Dear Parent/Guardian

Win £1,000 for Water Primary School to rebuild our library

As our friends at Read for Good® will tell you, it's well established that reading for pleasure leads to significantly better outcomes for children. But reading for fun is in decline, and many school libraries are underfunded and outdated.

It's time to #rebuildthelibrary

We could be in with the chance to be one of five winning schools and **get £1,000 in National Book Tokens** to fill our library's shelves with new, inspiring books.

Anyone can nominate our school, (staff, parents, carers and the community) so please vote for our school. Everyone who votes will also enter a prize draw to win themselves a £100 gift card.

Plus: to celebrate the 2026 [National Year of Reading](#), they are giving away even more prizes. Each week until 24th June, they will pick a flash winner to receive a **£100 National Book Tokens gift card for their school and £25 for themselves** – that's seven more chances to win!

[Nominate our school via this link](#)

Remember, the more nominations our school receives, the greater our chance of winning – so don't forget to spread the word!

Thank you for your support.

Yours faithfully
Miss Ashworth
