Dear Families

### Drop Offs / Parking at Forest Mill

Please see below a letter we have received from Forest Mill, located across the road from the school. We would appreciate your cooperation in respecting their request and refraining from using their car park during this period.

Dear Water Primary School

We are currently undertaking roofing and external works at our Forest Mill site, which is adjacent to your school. The works are being carried out to overclad an existing asbestos roof, and will include scaffold erection and associated construction activities, which will remain ongoing over the coming months.

Due to the presence of scaffolding, construction plant, deliveries, and restricted vehicle access within the car park areas, we would be grateful if the school could please request that parents and visitors do not use the Forest Mill car park for drop-offs, pick-ups, or parking during the course of the works.

This request is being made in the interests of public safety and to help ensure safe access for contractors, tenants, and emergency routes at all times.

We appreciate your cooperation and understanding whilst these works are being completed.

Should you require any further information, please do not hesitate to contact us.

Kind regards

QUALITY IS A FAMILY TRADITION
