

Water Primary School

Food and Drink

School Meals

All children in Early Years (Reception to Year 2) are entitled to a universal free school meal every day. There is a range of choices to pick from, including a daily vegetarian option, jacket potato with various fillings and a school prepared, healthy packed lunch.

Water Primary School uses an online payment system called Parent Pay, which allows you to choose your child's lunches ahead of time. You will be given a log in to access this system during the first week in September.

We encourage all children to take a school prepared meal as it helps with socialisation and supports one of the school's core values of leading a Healthy and Active Lifestyle.

If you prefer, you are free to send your child to school with a home packed lunch.

Snack

We ask that parents provide £1.00 a week for snack. This can be paid in advance for the full half term and will cost £6.00, £7.00, or £8.00, depending on the length of the half term. We will update you on the amount due at the beginning of each half term. This information will be on our web page or in our newsletter. Payment is to be made via Parent Pay when requested via the school office.

In Early Years, your child will also be given a free piece of fruit each day at either morning or afternoon break.

Water Bottles

Children can bring their own water bottle from home into school. Bottles to be brought into school on a Monday and taken home on a Friday. Bottles will be rinsed and refilled with fresh water each day. Due to storage space, bottles must be no bigger than 500ml.

We kindly ask that bottles contain water only, no juice.
