**Headteacher: Miss E. McKay**

22<sup>nd</sup> June 2026

Dear Families

With the current spell of hot weather, we would like to make a few temporary adjustments to help keep all children comfortable and safe during the school day.

Children may come to school wearing either their **full school uniform** or their **school PE kit** until further notice.

Please ensure that your child:

- Brings a **sun hat or cap** to school each day.
- Has **sun cream applied before arriving at school** in the morning. Staff are unable to apply sun cream to children, so we ask that this is done at home before school.

We are also making adjustments throughout the school day to help keep classrooms as cool as possible. Children will have access to **drinking water throughout the day**, and we will encourage them to drink regularly and stay hydrated.

Thank you for your support and cooperation as we work together to ensure the children remain comfortable and safe during the warm weather.

Kind regards  
Yours faithfully  
Miss E McKay
