Dear Parent/Guardian,

Monday 18th May – Friday 22nd May 2026 is ‘School Sports Week’.

We are delighted to share our exciting plans with you for Sports Week, ranging from Tubing and Skiing to Wrestling and Mini-Golf, as we continue to provide our children with wonderful opportunities and sporting experiences to remember. Throughout this week, the children will be taking part in a number of physical activities, some of which are in school, and some are out of school during the school day. Every morning at 9:00am, every child we participate in a 10 minute aerobic session.

Please can children come to school every day in their Water PE kit as they will be active throughout the week. As some of the activities will be taking place outside, please be mindful of the weather and send children in with sun cream and sunhats if required.

Maple swimming **WILL** go ahead on Thursday afternoon.

If you do not wish for your child to participate, please let Mrs Graham know in the office.
