Dear Parents and Carers,

Reduced School Meal Menu

Due to the exceptionally hot weather forecast for the next two days, we have decided to offer a reduced lunch menu to help keep our kitchen environment as cool and comfortable as possible.

For the next two days, children who have a school dinner will be able to choose from the following options:

- Jacket potato - filling choices will be either Cheese or Tuna
- Sandwich – filling choices will be Ham, Cheese or Tuna

Children will make their choice with their class teacher during morning registration.

Please continue to credit your ParentPay account as normal. Any existing meal bookings currently on the system will be removed to allow children to make their daily choice in school.

We will review the situation again next week once we have a clearer indication of the weather forecast and will update you accordingly.

Thank you for your understanding and cooperation.

Kind regards
Yours sincerely
