Dear Families,

Subject: London Trip – Important Information & Weather Reassurance

Dear Families,

We are very much looking forward to our upcoming trip to London and would like to take this opportunity to share some important information, particularly regarding the warm weather forecast.

Please be assured that the safety, health, and wellbeing of the children remain our highest priority at all times. We are closely monitoring the conditions and have put a number of measures in place to ensure that all pupils remain comfortable and safe throughout the day.

To help manage the warmer temperatures:

- All children will be encouraged to stay **well hydrated throughout the trip**. We will be providing **extra water and frozen treats** to help keep everyone cool.
- The activity at Parliament will take place **indoors in an air-conditioned environment**, providing relief from the heat during a key part of the visit.
- We will **limit the amount of time spent in direct sunlight** wherever possible and ensure children have access to shaded areas when outdoors.
- Staff will be regularly checking on the children and **encouraging them to drink water frequently**.
- We will take **regular breaks** when walking to our destinations.

We have also asked all children to bring a **hat** to wear, particularly while travelling on the bus and during any time spent outdoors, to help protect them from the sun. We have also asked they bring **sun cream** which will be applied regularly throughout the day. Staff will also be carrying sun cream if a child runs out.

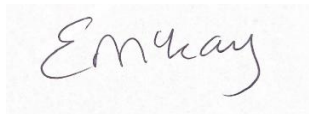

The staff will continue to take all reasonable precautions and adapt plans as needed to ensure a safe and enjoyable experience for everyone. As always, we will do everything within our power to safeguard the children and support their wellbeing throughout the trip.

If you have any questions or concerns, please do not hesitate to contact us.

As always, your support is greatly appreciated.

Yours sincerely

Miss E. McKay
