3rd July 2026

Dear Families

England Match – Monday 6th July

We know many of our families will be excited to support England in their upcoming match, which is being shown at **1.00 a.m.**

While we admire such dedication to supporting England, even the most enthusiastic young football fans need their sleep - while football may be coming home, we'd still like the children to come to school well-rested and ready for the school day.

To make sure nobody misses out completely, we will be showing the match highlights during assembly.

We appreciate that some of our older children may wish to stay up to watch the game. However, we would urge all children to attend school as normal the following day. Any absence for this reason will be recorded as **unauthorised**. This is particularly important for our Year 5 and 6 pupils, who are in the final week of rehearsals for their end-of-year performance and have many important events and activities taking place.

Thank you for your understanding and continued support.

Yours faithfully
Miss E McKay
