Dear Families

Water Bottles from September 2026

Following feedback from children and families, we have decided that from September, children may bring their own water bottle into school.

Bottles may be plastic or metal, but they must not be larger than 500ml (please no Stanley Cups), as we do not have sufficient storage space. Please see the examples below.

We also recommend that all bottles are clearly labelled with your child's name, as some children may bring identical bottles.

Water bottles should be brought into school on a Monday and taken home on a Friday. Bottles will be rinsed and refilled with fresh water each day. If a child forgets their bottle, they will still have access to drinking water throughout the school day.

We kindly ask that bottles contain water only, no juice please.

Thank you for your support.

Yours faithfully
Miss E McKay
Headteacher
