Dear Parents/Carers

Reading Raffle Initiative

We are excited to launch our new Reading Raffle Initiative, designed to encourage children to read regularly both at home and in school.

How it works:

Each time your child reads with an adult at home and has their reading record signed, they will receive one raffle ticket. They can also earn a ticket when reading with an adult in school.

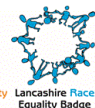

There is no limit to the number of tickets they can collect – the more they read, the more chances they have to win!

At the end of each half term, two winners from each class will be chosen. Winners will have the opportunity to choose a book from our vending machine!

We hope this will encourage regular reading, develop a love of books and strengthen the partnership between home and school.

Read, Record, Win!

Thank you for your continued support and happy reading!
