9th September 2026

Dear Parents and Carers

We are delighted to share some exciting news from our school community. We have recently welcomed a very special new member to our school family, a pet tortoise!

Our new friend is a juvenile male Horsfield tortoise, and he has already begun settling into his new home at school. We are looking forward to the many opportunities he will provide for our children to learn about responsibility, animal care, and the natural world.

To make his arrival even more special, we have invited our Water Community to help choose the perfect name for him. Throughout this week, every child will have the opportunity to submit a name suggestion by adding it to our tortoise suggestion box. Next week, we will share the shortlisted names with the whole school, and all pupils will be able to vote for their favourite.

The winning name will then officially become the name of our newest school member!

We are very excited to involve the children in this process and look forward to announcing the winning name soon. Please keep an eye out for updates as we introduce our tortoise to the wider school community.

Thank you for your continued support.

Yours faithfully

Mrs. Edington

Deputy Headteacher & SENCo
