Headteacher: Miss E. McKay

21st September 2026

Dear Parents/Carers of children in Hazel Class

We wanted to let you know that head lice have been found on a pupil over the weekend. Head lice are common among children and are not a sign of poor hygiene, so please do not be concerned or embarrassed.

As a precaution, please check your child's hair carefully after school today. You may wish to use a fine-toothed comb on wet, conditioned hair to look for live lice or eggs close to the scalp.

If you find head lice, please treat your child's hair using a suitable treatment and follow the product instructions carefully. Continue checking regularly and repeat the treatment if the instructions advise this.

Please let us know if your child has head lice, so that we can help reduce the chance of them spreading.

Thank you for your support and cooperation.

Yours faithfully
Miss E McKay
Headteacher
