Dear Parents/Guardians

Easyfundraising - Help Raise Funds for Our School While You Shop Online at no extra cost!

Thank you to all the parents who have signed up for Easyfundraising – your support is greatly appreciated and you have already raised extra funds for school without costing you an extra penny!

With Christmas approaching, many of us will be doing more of our shopping online. This is a great opportunity to support our school through **Easyfundraising**, at no extra cost to parents.

Easyfundraising allows you to raise funds for school simply by shopping online with participating retailers. Once you have signed up and selected our school, you can access the retailer's website through easyfundraising before making your purchase. The retailer then makes a small donation to school, while you pay exactly the same price as usual.

There are thousands of participating retailers, covering a wide range of products and services, so your everyday online purchases could make a real difference. Whether you are buying Christmas presents, booking travel or ordering household items, remembering to use easyfundraising is an amazing way to help school.

Please consider signing up and sharing the scheme with family and friends who may also shop online – it only takes a few moments to sign up. Every purchase, however small, can help us raise funds for resources and opportunities for our children.

All help is greatly appreciated. Thank you for supporting our school and helping us make the most of this simple fundraising opportunity.
