9th November 2026

Dear Parents and Carers

Christmas Card Project 2026

We are excited to be taking part in the **Art Projects for Schools Christmas Card Project** this year.

Today, your child will be bringing home a white envelope containing:

- A piece of card for their artwork
- An instruction sheet
- A card displaying our school's unique QR code

We would like all children to create their own festive design on the piece of card provided. Once your child's artwork is complete, please take a clear photograph of it and upload it to the **Art Projects for Schools** website using the instructions and QR code supplied.

After the artwork has been uploaded, you will have the opportunity to purchase a range of personalised products featuring your child's design, including:

- Christmas cards
- Wrapping paper
- Tote bags
- Gift tags
- Mugs and other keepsakes

These make wonderful gifts for family and friends while also celebrating your child's creativity.

We look forward to seeing all of the fantastic designs the children create.

Happy creating!
