We will also have weekly virtual PSHE meeting with each class.

Please note if your circumstances change and you do require a place for your child you must notify school by Wednesday at 4pm for a place for the following week. As you can see detailed plans are put in place and we need this time to ensure actions and rotas can be organised.

Thank you once again for your continued support and if you have any further questions then please don't hesitate to contact me or your child's class teacher.

Take care
