Dear Parent/Guardian,

I am writing today to inform you that Miss Artuner will be leaving Water Primary School. As you know Miss Artuner started with us two years ago as a student teacher, we were so impressed with her attitude, enthusiasm and teaching skills that we decided to offer Miss Artuner a one year contract to stay with us, therefore allowing us to move to more classes and to also cover Miss Hodgson's maternity. Following the Coronavirus pandemic we did offer to extend her stay until Christmas. However Miss Artuner was successful in her very first interview and she will be moving to a permanent role in Manchester.

I am positive that Miss Artuner will be a huge success in her new role and I am extremely sad to see her leave. She has been fantastic for Water Primary School. Miss Artuner has developed into an excellent teacher but more importantly she is a wonderful human being, who has been a very important member of our team. I will miss her, I know the staff and children will also, but we wish her all the very best in her new school. She will always be part of the Water family and will be welcomed back anytime. I am sure you will all join us in sending Miss Artuner your love and best wishes for the future.

Take care

Mr Willan
