Re: Wraparound Care Provision for Return to School

Over the summer period we have been working hard to make the school a safe place for our pupils to return to whilst following the latest government guidelines. At the beginning of the summer we communicated to parents that we would be unable to provide wraparound care in Autumn 1 half term due to guidance on segregation of year group bubbles. This guidance has not changed significantly but we have been working on a solution to provide safe wraparound care for the Autumn 1 half term. We will be able to confirm the details of this provision by Friday 28th August 2020. What we can confirm is that there will be limited places available and all sessions (Breakfast Club and Afterschool Club) will need to be pre-booked via parentpay.

Thank-you for your continued support

Mrs T-A Willetts
School Business Manager
