**Headteacher: Mr C Willan**

Dear Parent/Guardian

I just wanted to write and update you with further information regarding the teaching personnel in Willow Class. Over the summer we have recruited an extra member of staff to help with the teaching responsibilities in Willow.

Miss Murray has been appointed to assist Miss Hodgson and will be working from Wednesday to Friday. This will ensure consistent coverage of the curriculum and she will be a wonderful addition to the school and class. Miss Murray is an outstanding teacher and we are extremely pleased that she has agreed to join our brilliant school.

This appointment will allow for a consistent approach in Year 1, increase the quality of education and improve communication between parents and school.

Further details will be explained through Class Dojo but in the meantime please join me in welcoming Miss Murray to Water Primary. I would like to apologise for the delay in informing of you of this change, however we have been working extremely hard over the summer to secure this extra teaching position and only in the last few weeks have we secured this appointment.

Your sincerely

Mr Willan  
Headteacher
