Headteacher: Mr C Willan

Dear Parent/Guardian,

Thank you for all your support in following the measures we have put in place since we have reopened to more pupils this week.

It has been wonderful to welcome back all of our pupils. Seeing all their beaming smiles and faces has made all of the hard work and preparations definitely worthwhile.

We will continue to evaluate and review all of the measures on a weekly basis, the risk assessment (which can be found on the website) is dynamic and we will continue to make changes where necessary in order to keep everyone safe.

Please can I ask that you continue to keep to the allocated times for each class (drop off and collection) and continue to socially distance when waiting for your child.

As you are probably aware, the Rossendale infection rate has increased from 65.8 per 100,000 from last week's figure of 12.6 per 100,000. Therefore it is paramount that we continue to do all we can to ensure the infection rate remains low and out of school. Please follow the Government guidelines regarding the advice on what to do if you or your child has symptoms. If we have a reported case in school then we will have no option but to close the school for that particular year group. This is why it is extremely important that class groups or bubbles do not mix and all measures which we have put in place are adhered to. This includes regular handwashing and social distancing.

I also just wanted to remind you of our new Breakfast Club and After School Club at Lumb Baptist Church. This is proving to be extremely popular and we can ensure that all year groups are kept separate at both clubs. Places are filling up fast therefore please make sure you book your place through Mrs Willetts (bursar@water.lancs.sch.uk).

Yours Sincerely

Mr Willan
Headteacher
