Headteacher: Mr C Willan

Dear Parent/Guardian,

I would like to continue to update you regarding our response to the ongoing Coronavirus outbreak.

There has been no confirmed case of the virus in school at the moment and we are continuing to monitor the situation closely. This includes children absences and staff absences. At the moment all staff are present in school and I am so proud of our team for their support but also for the strength and professionalism they continue to show during this very difficult time. The health of all is absolutely paramount and is the most important element when making difficult decisions. We are continuing to follow current advice from the Government, although this is changing daily. I will endeavour to communicate to parents as early as possible any changes in policy or guidelines.

Please find updated information on our dedicated Coronavirus webpage. Here you will find recent letters and web links to useful pages and advice.

We have prepared a Home Learning page on our website, with tabs for each class outlining a daily timetable which parents can follow. Further details and paper copies of tasks will also be sent out if the need arises. In addition we have given each child a QR code to login to SeeSaw (This was sent last Friday) in order for them to photograph or upload completed work. Please ask if you are unsure about this. Please remember this is just to help with their learning and to help keep our children busy and active during time away from school.

Please see our FAQs on the reverse of this letter for further information.

As always my door is always open if you require further information, advice, help or guidance. It is important that we continue to support and help each other.

Please contact me on 01706216414 or email head@water.lancs.sch.uk

As always, thank you for your support.

Mr Willan

Headteacher
