16th September 2020

The more that you read,
the more things you will know.
The more that you learn,
the more places you'll go.
-- Dr. Seuss

Dear parents/guardians,

Due to the current circumstances, we are trying to prevent items from being taken home and returned to school frequently, this includes reading books and reading record books. Therefore, we would like children to take their reading books home and not return them until they are finished. We recommend that children read each school night. As the children will not be returning their reading record books, we would like parents to let us know that your child has read through seesaw then we are able to continue to monitor your child's reading. When your child has finished their book, they should then return it to school and your child will then receive a new reading book.

As always, your support is greatly appreciated.

Many thanks,

Miss E. McKay
