Dear Parent/Guardian,

To ensure we continue to engage as many young people as possible in school sport and School Games events, Rossendale School Sports Partnership have developed an autumn term resource to support schools delivering a programme of intra-school and inter-school competition events which we will be part of.

Not only will this give more children the opportunity to take part and achieve their personal best, it will contribute towards Water Primary School achieving another Gold National School Games Award, give children opportunities to beat their personal best scores at home, and contribute towards our children keeping fit, active and healthy.

Several virtual sport competitions will run throughout the autumn half-term. We will be running these virtual competitions after school on certain days from 3:25pm – 4:25pm together with other after school clubs, starting on Monday 5<sup>th</sup> October 2020. These are as follows:
