29/09/2020

Dear Parent/Guardian,

Next Tuesday, 6th October 2020, we are very fortunate to have members of the 'Top Tekkers' App development team, Sensible Soccer and Manchester Utd Performance and Analyst staff coming into school to work with some of our staff and children. Risk assessments have been completed and COVID protocols and procedures will be in place.

The Top Tekkers App is a learning platform for young, aspiring football players. It is designed for players 5-14 who want to master the beautiful game, and it's for coaches and parents who want to help their young players to become the next footballing superstar. It has been carefully designed to make football development fun, educational and challenging with players benefitting from becoming more active and healthier. It is designed to connect parents and players, have a positive impact on player development as well as challenge players individually to be the best they can be.

We would like to invite your child to be part of the Top Tekkers App Showcase. This is sure to be a truly exciting afternoon! Practice your Tekkers, take on challenges and record your scores!

If you would like your child to take part in the showcase on Tuesday 6th October, please complete the online form as soon as possible.

https://forms.office.com/Pages/ResponsePage.aspx?id=J6TmPZI2j02DCMIsgXzF54a3_kv7LbxJimvw_0YtkWBUN0ZMVDkwVUEzWfDlNINOTFdCWjizSDBRM4u

If the form is not completed by Friday at 3.25pm we will assume that permission has not been granted.

Your child will need to come to school in their Water tracksuits and trainers on the day.

Following the showcase Water Primary will be issued with complimentary app codes for 'Top Tekkers' which will benefit every child in Year 5 and Year 6.

Yours sincerely

Mr M Smedley
PE Teacher
