Dear parents and guardians,

I am part of the Lancashire Youth Games Governing Body, (please see our aims below) and we are looking to build upon the strong virtual games offer from last year.

I know many of our families enjoyed and took part in many of these events. We would like to make the programme even better this year and more accessible to families in Lancashire. Please could you spend five minutes to help us develop the Lancashire Youth Games website.

Your answers from this online survey will be extremely helpful and very much appreciated.
