Headteacher: Mr C Willan

Dear Parent/Guardian,

500 Mile Challenge

I just wanted to share with you a new initiative and fundraising idea to help our children and community remain active during lockdown.

We are inviting the whole of the Water Community to join and take part. Can we walk, jog, run, cycle each week or day and collectively achieve 500 miles. This shared project and common goal will raise collective spirits and keep people active during the dark winter months.

Any miles clocked goes into our collective challenge. Our aim is to travel 500 miles between now and December 2nd. We are inviting sponsorship from friends, family and the community in the hope of raising vital funds to keep our children active, healthy and happy.

All we are asking is for small donations to our Just Giving Page <https://www.justgiving.com/crowdfunding/water-primary>

I know times are difficult for many at the moment but even a donation of £1 would really help. We are hoping to share all the money raised between school and local charities such as the Raft Foundation and Derian House.

Let's get active over lockdown, encourage others, have a shared purpose and a common goal to raise money for our children and local charities.

Please send your mile entries to head@water.lancs.sch.uk and we will publish results daily and keep a running total of our efforts.

In addition to this, we would love to see your photographs of you being active or of the beautiful landscapes you may find yourself in, as you walk, run or cycle through the valley. We are hoping to develop a gallery of amazing pictures and photos in school. The most stunning and beautiful pictures will win prizes donated by FWS. We are extremely lucky to live in such a beautiful part of the world, enjoy the outdoors and take a snap of your stunning surroundings.

In summary, send in your miles, photos and smiles to raise spirits and funds for those who need it.

Yours sincerely

Mr Willan
Headteacher
