18<sup>th</sup> November 2020

Dear Parents,

At the close of this every strange year, the Water Family would like to bring some Christmas Cheer to the school and the local community. We usually have a Christmas Tree and some lights outside the school at this time of year but this year we would like to make Water Shine. We have already had our Christmas Tree kindly donated by Clegg Landscape Supplies and FWS will be providing some lights but to "Make Water Shine" we will need many more lights and possibly some outdoor displays/characters etc. If you have any unwanted outdoor decorations that you can donate to school, we would very much appreciate it. If you are a business that would be able to help us make this possible, we would love to hear from you.

If you have any questions or would like to make a donation, please call the school office. As always, thank-you for your continued support.

Mrs Willetts  
School Business Manager
