Headteacher: Mr C Willan

Dear parents and guardians,

Following the announcement from the Prime Minister school will be closed to all pupils with the exception of the vulnerable and key workers.

I am extremely sorry for any inconvenience that this may cause and as always my thoughts are with our entire community. These are difficult days for us all, but we have the knowledge and experience from previous lockdowns and together we can get through this.

From 8am on Tuesday we will be contacting parents of vulnerable children in order for them to attend school from Tuesday. Our Key worker children can return on Wednesday 6th January. Please look out for further information, eligibility and forms on Tuesday.

Remote Learning will be available on SeeSaw from Tuesday and learning packs will be collated over the next few days. These can be collected from school throughout the week. I will notify each class and parent with times for collection.

I will be writing to you throughout the day to keep you updated.

Please take care and if you require any help, support or guidance then please contact me through email head@water.lancs.sch.uk.

Mr Willan
