Headteacher: Mr C Willan

Dear Parents/Carers,

Please follow the link below, which will take you to the 'SEND Support' section of our school website, to see the information and resources to support home learning for our children with additional needs.

<https://www.water.lancs.sch.uk/page/?title=SEND+Support&pid=237&action=saved>

I have added a selection of links to support home learning for the different areas of need. I have added a mental health support pack and a pack to support building structure into the day at home. There are some ideas for sensory/practical/screen free activities, which you may find useful. I have also added a selection of social stories about coronavirus/the partial school closure to this page and an example timetable to use to help with routine at home.

I understand that we are not there face-to-face at the moment for all of the children we support, but please do not hesitate to contact me via the email below or by ringing the school office. It may be that you would like to speak to me directly about supporting your child at home or you would like me to direct you to relevant agencies for further help. I will try to help in any way I can.

Please email me at sen@water.lancs.sch.uk

Take care,

Mrs. Edington
