Dear Families,

I just wanted to thank you all for your continued support and encouragement of the school. We realise home learning is such a difficult task but I am so proud of you all for your resilience and positive attitude.

At the moment we have no further news regarding any plans to reopen the school further but as soon as I hear I will of course update you all. In terms of numbers in school we are currently at full capacity in terms of bubble numbers and being safe. I urge you all to continue to do all you can, you have been incredible and I hope in a week or so we have more positive news in terms of a return to normal.
