Dear Parents,

Please can I remind all parents, carers and grandparents to park safely and considerately when collecting and dropping off children at school.

A small minority of parents are parking illegally, often on the yellow markings rather than finding appropriate safe spaces to park.

I appreciate the difficulties parents face in terms of parking, however the safety of our children is paramount.

I am also aware of dangerous driving along Burnley Road East. We are in discussions with the appropriate authorities in order to improve safety measures for our school. In the meantime, please can you continue to keep our children and school safe.

Thank you,

Mr Willan
