## Home – School Agreement

### School Aims

At Water School, children are at the centre of everything we do. We aim to give our children the best possible opportunities and learning experiences, enabling them to reach their full potential. We aim to ensure that the children in our care are equipped for life-long learning as responsible citizens in an ever-changing, diverse community.

Our School Motto is **Happiness, Health and Opportunity**. We believe that we all have the right to be happy, to be safe and to learn. We all have the responsibility to make this happen.

### Policies

In order for us to work together to achieve these aims, various school policies are in place. We would like to draw your attention especially to our policies on:

- Safeguarding
- Child Protection
- Discipline & Behaviour
- Special Educational Needs
- Attendance
- Uniform
- Health & Safety
- Administration of Medicines
- First Aid
- Complaints

Summaries of these policies, are on the school website at [www.water.lancs.sch.uk](http://www.water.lancs.sch.uk) , or can be obtained from the school office.

### Signing Up!

In order to affirm that we are all committed to providing the best possible education for your child, and to show that we are all aware of our responsibilities, a signature is required. Please complete the slip at the end of this Home-School agreement and return it to school as soon as possible.

Thank you for your support.
