

Water Primary School

Parental Permission - use of photographs & digital images

Dear Parents/Carers,

During your child's time at Water Primary School, photographs & digital images may be taken of your son/daughter. These images may be used in a range of contexts:

- Training courses
- School publications, for example the prospectus
- Local newspapers as part of media coverage of a school event
- School website
- Display
- Twitter
- Facebook
- School Blog

Personal details of the children will **not** appear in any school publication or on the website. However, individual pupils' names may appear in a local newspaper, if appropriate to the article.

Please could you complete the permission slip to give permission for your child's image to be used.

If you do not want your son/daughter to appear in any photographs, please contact me.

Yours sincerely,
Miss E McKay
Headteacher
