Headteacher: Mr C Willan

Dear Parent/Guardian,

We are currently investigating the proposal to change our school uniform policy and we would like your views on this matter.

As you know our school's vision and ethos is focussed on our children being healthy, happy and active. A number of years ago we changed the PE kit and the way we organised our PE lessons to incorporate PE days and our children coming to school dressed in their PE Kits. This has been a huge success and more and more schools are adopting this policy.

With our children spending more and more time being active throughout the school day, it makes more sense to us, for our children to adopt the tracksuit uniform and trainers for every day but we would very much like your thoughts on this. Our children take part in PE lessons, morning fitness activities, active break times, lunchtimes, yoga type activities, after school clubs and forest schools. Please could you spend five minutes completing this online form so we can take into account your views on this before any decision is to be made.

<https://forms.office.com/r/1meDXp5Rn0>

Please note once this form has been completed and analysed we will need a more detailed form completing to determine the implementation.

Year 6 children would be presented with a different performance top in recognition of their Year 6 status and this would be purchased by the school.

These are just ideas at the moment but I think it is worth the school considering this change given the current climate and all the opportunities our school provides for our children in terms of Physical Activity, PE and Outdoor Education.

Yours Sincerely

Mr Willan
Headteacher
