Dear Parent/Guardian,

I just wanted to update you regarding the questionnaire I sent out yesterday. Thank you so much for responding to this. It is always beneficial to communicate and share ideas with all parents and families in order to have clarity of views and opinions.

As you can see from the graph below, a number of parents and families would be in favour of this change.

### 3. Class

### 4. Would you be in favour of changing our school uniform policy to the Water Tracksuit and PE Kit including Trainers?

I just wanted to reassure all parents and families that nothing will change in the short term, a number of investigations and discussions will need to be carried out before any decision is made. Obviously, price is a major concern and this would need to be addressed before any change is made.

Thanks again for your input, constructive views and encouragement.

Yours Sincerely

Mr Willan  
Headteacher
